To whom it may concern,  
Thank you for taking the time to read my testimony. I writing in concern of the high capacity mag ban. As a voting resident of Connecticut I strongly oppose the bill to ban high cap mags. With the ban of high cap mags all of the law abiding citizens of Connecticut will be the only ones affected. History shows that law abiding citizens are not the ones who cause harm. This ban will provide "bad guys" With the capability of more harm and leave the law abiding citizens defenseless and unprotected.
